Anne Miletich shared this mix for Whole Wheat Brownies that my family loves.

Brownie Mix:

- 3 cups evaporated cane juice sugar
- 3 cups most any freshly milled whole grain flour
- 1 cup baking cocoa ~ our's is amazing!
- 2 teaspoon baking powder
- 2 teaspoon salt
- 4 teaspoon vanilla or almond powder

To make brownies, combine:

- 2 ½ cup mix
- ¼ cup oil
- 1 egg
- ½ - ¾ cup water
- Sprinkle with your favorite nuts for more protein & crunch!

Batter will be stiff. Spread into greased 8" square pan and bake at 350° for 20-25 minutes.
