

## SUZI'S FLOURLESS COOKIES

Suzi Rawalt shared her favorite cookies. They are delicious as well as healthy!

Thoroughly combine in Bosch using the cake paddles:

1 stick of butter	1 T maple or vanilla powder*
4 eggs	1 ½ C peanut butter
2 C brown sugar (homemade is best!)	

Add:

4 C freshly rolled oats	1 teaspoon baking soda
2 C chipped coconut	1 teaspoon baking powder
1 C sunflower seeds	1 ½ C chocolate chips

Drop by teaspoonfuls, onto cookie sheet lined with silicone mat. Bake about 12 minutes at 350\*.

\*Try substituting maple powder for vanilla powder in cookie & cake recipes. You will love the rich flavor!

These truly are one of our favorites!
