

Chocolate Zucchini Cake

Posted on Mar 01, 2006 ~ Revisited January 2022

One of my favorite cakes!

- ½ cup butter
- ½ cup oil
- 1¼ cups sugar
- 2 eggs
- 2 teaspoon vanilla
- ½ cup sour milk or buttermilk
- 2½ cup pastry flour
- ¼ cup cocoa powder
- 2 teaspoon soda
- ½ teaspoon cloves
- 2 cup grated zucchini
- ¼ cup milk chocolate chips

Cream together butter, oil & sugar. Add eggs, vanilla & sour milk. Sift together and then add dry ingredients. Add zucchini & chocolate chips. Bake in 9 x 13 pan in at 350 for 45 – 50 minutes. It is so moist I don't bother with frosting.

Bake in man sized muffin pans, too. Freeze in portions size containers for later use.
