

BLUEBERRY BANANA BREAD

Who knows where this one came from, but we've enjoyed it for decades, especially with fresh Alaskan berries.

Combine wet ingredients in the Bosch bowl:

1 C butter or oil

1 ½ C ECJ Sugar

4 eggs

1 C sour cream or yogurt

4 ripe bananas

Add dry ingredients:

5 C AP flour, freshly milled

1 t salt

2 t soda

1 C chopped nuts

Then add 2 C frozen blueberries.

Bake in small gift loaf pans, man sized muffin pans or regular loaf pans. It all eats the same! Bake at 350* until done, depending on the size of the pan ~ 25 – 45 minutes.
